TMM, INC
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
SEPTEMBER 30, 2012

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This summary of significant accounting policies of TMM, Inc (the Company) and Digital Focus Inc, its wholly owned subsidiary, is presented to assist in understanding the Company's financial statements. These accounting policies conform to generally accepted accounting principles and have been consistently applied in the preparation of the financial statements.

BUSINESS ACTIVITY

TMM, Inc is in the business of developing a fractal based video codec labeled TRUDEF©. The codec was developed in the early 1990's in collaboration with Iterated Systems, Inc. The company has contracted programmers to modernize, develop and test a commercial product.

METHOD OF ACCOUNTING

The Company keeps its books on the accrual basis.

USE OF ESTIMATES AND ASSUMPTIONS

The presentation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that effect certain reported amounts and disclosures. Accordingly, actual results could differ from these estimates.

INCORPORATION

The company was incorporated on October 8, 1986, in the State of Nevada.

INCOME TAXES

Income Taxes are provided currently for all items included in the Statement of Income regardless of when such taxes are payable. Deferred taxes arise from the recognition of revenues and expenses in different periods for tax and financial statement purposes.

CONSOLIDATION

These financial statements present the consolidated information of TMM, Inc. and Digital Focus, Inc, its wholly owned subsidiary. See Note 9.

2. BASIS OF PRESENTATION

These Financial Statements have been compiled using historical data from reports prepared by the previous management of the Company along with the recent activity of the Company and the Shareholder Group who initiated the change in the Company's management. These financial statements are preliminary and are based on the best information available at this time. As the discovery and review of certain historical documents continues (the current management was voted into office on October 17, 2011) any revisions will be updated in the next fiscal quarter (See Note 5). These statements have not been audited or reviewed and accordingly, no opinion or any other form of assurance is expressed on them.

3. COMPOSITION OF CERTAIN ASSET ACCOUNTS

VDK Codec Costs Capitalized: Represents historical costs previously capitalized and fully amortized for the development of the VDK Codec code.

Code Review and Enhancements: Represent funds spent currently to review, update and enhance the company's software.

Graphic Design Costs: Represents funds spent currently for certain design updates and enhancements.

Computer Equipment and Facilities: Represents funds spent currently for computer equipment and secured facilities and improvements to be placed in service in the near future.

Legal and Related Costs: Represents fees and costs paid for the shareholder action and related follow-up litigation by the Company together with professional and consulting fees incurred with respect to certain recoveries, and the discovery, updating, and evaluation of certain corporate governance documents and proprietary information.

The above costs are deemed to have certain future value and as such have been presented as assets of the Company. These assets will be amortized at a future date and will be charged to reflect a proper matching against future revenue.

4. AMOUNTS DUE TO INTERNATIONAL ROYALTIES, CORP

The amounts due to International Royalties, Corp. are for funds advanced to the Company in 2009 (\$18,778) and for fees due for managerial and director services rendered from 2007 to the present (\$156,775). The amounts due for services are anticipated to be satisfied by the issuance of capital stock in the Company. Also see Note 7.

5. LITIGATION

The Company is currently in litigation to recover certain tax, financial, corporate governance and proprietary documents from the Company's previous management and certain related parties that could have a material effect on this Financial Statement and the financial position of the Company.

6. PRIVATE SUBSCRIPTION OFFERINGS

The Company successfully completed several Subscription Offerings. The first which was initiated in late October, 2011 for private investors and which raised \$564,500 US for the Company. The \$0.02 per Unit offering consisted of one share of TMMI common stock and one warrant to purchase one additional share of TMMI common stock at \$0.05 per share within three (3) years. The second offering was initiated in April 2012 for private investors and raised \$1,206,500 US for the Company. The \$0.10 per Unit offering consisted of one share of TMMI common stock and one warrant to purchase one additional share of TMMI common stock at \$0.15 per share within three (3) years.

The Company is using the Subscription funds to cover its expenses associated with gathering and organizing the Company's corporate governance documents and intellectual property records. In addition, such Subscription proceeds will enable the Company to continue developing its TRUDEF™ Technology which is the successor of the Company's VDK Codec SoftVideo™ fractal compression technology which was first under development in the 1990's.
